1. RECEIVE INFORMATION AND MAKE DECISIONS ON ACTIONS AND EXPENDITURE AS REQUIRED REGARDING THE FOLLOWING AREAS OF PARISH COUNCIL LAND.

RECREATION GROUND, CAR PARK AND VILLAGE HALL

a) Improvements to the Parish Noticeboard at the entrance to the Recreation Ground.

Councillor Martin is to inspect and report on the work required to repair and improve this.

b) Rotherfield School – information regarding contribution toward Recreation Ground maintenance.

It has been suggested that, to support the school, the Council no longer invoice them £500 in May of each year for a contribution toward the maintenance of the Recreation Ground which is used by them in lieu of having their own grounds. The School have advised that they do not receive funds from ESCC toward this cost as and, if they did have a sports field, County would charge them for maintaining it.

RESOLVED that, to support the School, the Council will no longer invoice for this contribution.

CLERK to advise School.

c) Bowls Club path – update.

It was reported that the path was “grassing over” as intended and appeared in good condition. Some “sharp sand” is to be applied and Cllr. Martin has offered to inspect and deal with this.

d) Agree contribution level for payment to Sports Club for grass cutting and maintenance.

It was **RESOLVED** to maintain payments at the current level of £325 monthly paid from 30th April until 31st December inclusive - 9 payments in total.

CLERK to advise the Club and set up a standing order for the payments.

e) Information regarding progress with the Sports Club’s application to the Football Foundation for a grant to fund drainage work to the pitches in the Recreation Ground and Council contribution.

Clerk has liaised with the Club Chair to complete the grant application formalities. Application will be in the joint names of the Club, and Parish Council as owner of the freehold of the site. Payments for the work will be made by the Parish Council to enable reclaim of the VAT element and the Club will reimburse.

RESOLVED that the Council will contribute up to £2K toward this work.

f) Updated information and documents from Wealden District Council re: The London Bridge Protocol.

The documents relating to this have been circulated to the Councillors and it was **RESOLVED** that the contents be noted.

2. ROTHERFIELD PARISH CEMETERY

a) Report and action re: conditions of use by the Lessee – car park is being used by non-visitors.

A sign is being obtained to state that the car park is only for the use of visitors to the Cemetery as the lease to the Council specifies that the permitted use is that it is only for those visiting the Cemetery. The cost of the sign and installation is within this Committee’s delegated spending power limit and **CLERK** to please order.

Cllr. Martin had offered to obtain the hurdles and posts required so that our groundwork contractor can install them.

4. OTHER AREAS OF PARISH LAND

a) Maintenance of assets owned by the Parish Council.

Various works have taken place on the Rec. pitches, funded by the Sports Club, in preparation for the new cricket season. Contractors have been used for some of the work with the voluntary efforts of the Club dealing with the rest. Buck has offered to speak with those in the Mark Cross Community to establish the level of support for this and suitability of the site. **CLERK** to investigate conditions of the ESCC licence to the Council regarding the area to see if this will require amendment should the matter proceed. Item to be added to the agenda of the next meeting of this Committee to decide further action. **CLERK** to note.

6. TO RECEIVE NOTICE OF DATE OF NEXT MEETING OF THIS COMMITTEE.

Tuesday 7th July 2020 in the Parish Council Room, Rotherfield Hall, starting at 19:30.

7. REPORT DETAILS OF ANY URGENT ISSUES FOR NOTING OR INCLUSION ON FUTURE AGENDA.

- Raising the Roof project. Clerk reported that a chaser letter had been received from the architects for the project in respect of an outstanding invoice from March for an asbestos survey. This had been sent to the Rotherfield Players but not passed to the Council to settle. Invoice will be added to the payment list for the April Council meeting, **CLERK** to note. The Players will liaise with the hall management to seek reimbursement.
- Cllr. Henrick that Thursday's meeting, originally of the Financial and General Purpose Committee, has been redesignated as a full council meeting so that resolutions may be made regarding action to support the "Parish Pals" and their concerns regarding the possible impact of GDPR on their work in supporting the Community.
- Concerns have been raised regarding the condition of the netting surrounding the Bowls Green. Clerk to contact Sports Club chair and seeks his views on the condition and photos of the netting.
