April 2020 News

Coronavirus – Rotherfield Parish Pals:

Parish Pals is a pop-up group to help residents of Rotherfield Parish through the Coronavirus pandemic. The idea is to form 32 groups across the Parish of no more than 50 households to ensure we are all in touch with our neighbours and providing support. We are currently identifying 32 co-ordinators to help organise their local neighbourhoods.

This initiative has been endorsed by Rotherfield Parish Council and is in partnership with RSM. We do not know what will happen but if we stick together, we can help each other to ensure everyone is safe and supported and businesses across the Parish remain thriving.

Coronavirus – Parish Council Meetings:

As the situation develops, it may be necessary to alter the current schedule and the way of conducting Parish Council business. This could include the postponement of some committee meetings. Planning & Building matters resolved under delegated powers, meetings closed to members of the public and emergency council meetings. We will keep you updated through our social media sites and website: <https://rotherfieldparishcouncil.co.uk/schedule-of-meetings/>

Eridge Station Update:

We are pleased to be able to inform you that Eridge has been granted money by Network Rail's Access for All scheme to install disabled access to the station platform when the new crossover bridge is installed.

Monthly Drop-In Surgery – Postponed:

Monthly Drop-In Surgeries have been postponed until further notice.

VE Day 75th Anniversary Celebrations – Postponed:

Following recent Government guidance, we have taken the unfortunate decision to postpone the VE 75th Anniversary Street party scheduled for Friday 8th May. We will advise you of the new arrangements as soon as we are able.

Forthcoming Council & Committee Meetings:

**All Parish Council Meetings are currently postponed due to the Coronavirus situation.
We are awaiting guidance from the Ministry of Communities, Housing and Local Government
regarding meetings being held virtually.**
